

Grand Oaks Cheerleader/Mascot Guidelines

The purpose of these guidelines is to provide a framework for CISD Cheerleader, coaches, and administrators by which to develop campus rules and procedures pertaining to the cheerleader programs on their respective campuses. Individual campuses may have additional guidelines for addressing specific cheerleader/mascot infractions.

I. Purpose:

- A. To promote and uphold loyal school spirit throughout the year.
- B. To encourage good sportsmanship among the students.
- C. To improve relationships between schools during athletic events.
- D. To represent the school and district as a positive role model and leader.
- E. To represent the school in sanctioned Cheerleader/Mascot competitions, sporting events, and school activities.

II. Membership:

- A. Each year, the principal and head cheerleading coach shall determine the number of Cheerleaders/Mascots, the number of squads, and the composition of squads.
- B. Squad selection will be based on 70 percent from judge's scores and 30 percent from CISD coaches' evaluation. (*See Addendum A*)
- C. Members must try out each year to renew membership.
- D. Cheerleaders/Mascots must pay their dues and fees punctually. A student who has outstanding debt may not try out for cheerleader/mascot the following year until all debt is paid.

III. Tryout Requirements:

- A. Cheerleader/mascot candidates must be in good physical shape and be able to participate in long periods of vigorous activity without undue fatigue. Cheerleader/mascot candidates should not have any long-term injuries that would prevent full participation in required activities. All candidates who were previously on a team and were out at any time for an injury must have a release form from a doctor. Any candidate with a release form is expected to participate all year.
- B. Cheerleader/mascot candidates must have a cheerleader/mascot application, constitution agreement, and a medical release form completed, signed, and turned into Coach Ellison prior to the start of the tryout clinic on March 5th, 2018. Cheerleader/mascot candidates must meet all guidelines or forfeit their candidacy.
- C. If a member moves to another CISD school during a school year, he/she must return all issued equipment, and pay all outstanding debts to the former program (before trying out for a new program).
- D. All candidates and one parent/guardian must attend an informational meeting prior to tryouts. Failure to attend the meeting or make arrangements to meet with the head coach prior to the clinic will result in the candidate being disqualified from the tryout process.
- E. Candidates must live in the attendance zone or the candidate must have an approved CISD transfer form at the time of clinic/tryouts to attend the respective school for the 2018-2019 school year. A candidate may only tryout at one CISD school per calendar year.

IV. Tryout Clinic:

- A. The tryout clinic will be open to all students who have completed the required paperwork, attended the tryout meeting, and meet all of the requirements for tryouts. **The tryout clinic will be held on** March 5th - March 7th after school from 4:30pm-6:30 pm in the large gym. Tryouts will start promptly on March 8th **at 3:30 p.m. for all 9th, 10th, and 11th graders and 6:00 p.m. or later for all 8th graders.** All candidates are required to stay the entire time of tryouts until call-backs are complete for each level and a release by the coaches have been given.
- B. **The tryout clinic will be open to candidates, cheerleading coaches, clinicians, and school administration only.** Parents/Candidates will be allowed to video tape tryout material the last 15 minutes of the clinic on the first day only (*Monday, March 5th, 6:15 p.m.*) once the coaches have opened the front entrance doors. - F. Candidates can be evaluated by the coaches during the tryout clinic at any time.
- G. No clinician may be hired as a private coach during the clinic or tryouts.

V. Judging of Candidates:

- A. The candidate's performance during the Cheerleader/Mascot tryouts will be evaluated and scored by a total panel of 5 (five) professionally, high-qualified judges outside of the community. The lowest score will be dropped, and the average of the remaining three scores will be used in the 70% of the judge's score.
- B. Tryouts are closed to spectators. Those eligible for attendance include the coaches, judges, school administrators, and score tabulators. Only candidates, cheerleaders/mascots, coaches, and administrators will be allowed in the warm-up room. Parents are not allowed to enter the lobby area, the gym, or warm-up room **at any time**. Any seniors who are caught disrupting tryouts, leaving, or trying to watch tryouts will be removed from the area and may receive a discipline referral.
- C. Score sheets are confidential and shall be secured by the campus administrator after the tryout is complete.
- D. A candidate may elect to view his/her individual judges' score sheets following the tryout. Candidates may not view or be told of other candidates' scores, including the range of scores. An appointment must be made with the coach and administrator. The score sheet may only be viewed at school and shall not be removed from or copied at the conference. Score sheets are only available for ten (10) school days following the tryout session or the earliest date the administrator and coach are available.
- E. Candidates may be required to perform a specific cheer(s), jump(s), chant(s), tumbling, dance, and stunt (males only) at tryouts.
- F. Selection of a cheerleader shall be based on 70 points from judges' evaluation and 30 points from CISD coaches' tryout evaluation. (See *Addendum A* for judging criteria). Coaches' scores will be determined after the tryout clinic is complete and will be based on not only participant and discipline during the clinic, but will also be based on school discipline, attendance, and leadership skills. (See *Addendum A* for coaches' score criteria). Anyone new to the program or non-members of the current school year will receive five points out of ten in the Leadership section of the Coach's Score Sheet. Candidates can either lose or gain up to five more points based off of attendance, behavior, effort, respect, etc. during the Tryout Clinic.

VI. Captains & Co-Captains: (Junior Varsity and Varsity Only)

- A. The head coach and principal shall determine whether or not squads will have captains and/or co-captains and the method of selection.

B. Fulfill all financial obligations punctually:

- The Cheerleader/Mascot is expected to **fulfill** all the financial obligations required throughout the entire year, including WE tumbling classes, uniforms, camp, clothes, equipment, etc. Mascots will have the same fees as cheerleaders.
- This includes participating in all fundraisers, meeting fundraiser payoffs/payment dates, paying for equipment/clothing, and replacing items that are lost or damaged.
- If a member of the varsity team fails to participate in a fundraiser(s) by not raising his/her portion of competition fees, he/she may be obligated to pay the fees out of pocket in order to attend the event and/or compete, as well as receive the appropriate consequences.
- Anyone who is removed from the team or quits the program may still be responsible for designated fees. Prices are based off of numbers of each squad.
- If a cheerleader or mascot has 'unclear' financial obligations, the campus administrator will determine whether or not the squad member will retain active status until all obligations are met.

C. Represent the school with integrity, honesty, and morality:

- Cheerleaders/Mascots are expected to be models of good behavior; less than admirable behavior will not be tolerated.

You will not be able to tryout if you have a visible tattoo in uniform, sports bra, or tank. You will be subject to removal if you get one during the season.**

D. Remain in good physical shape:

- Cheerleaders/mascots are expected to maintain and to improve all skills demonstrated at tryouts. Failure to do so will result in suspension and may result in removal/replacement/squad change until ability is proven. Any member of varsity can be asked to step down to the Junior Varsity team if skills are not maintained.

Cheerleaders with shoulder length or shorter hair that cannot be pulled into a ponytail must have their hair pulled up on the sides and out of the face.

-All varsity members **MUST** comply with the hair requirements set by the coach for each competition. If the requirements are not met, a bench will be issued.

VIII. Cheerleading Class Guidelines:

A. Cheerleaders may receive a P.E. and/or Fine Arts credit for the cheerleading class; therefore, they shall be expected to dress out in the appropriate attire every day. All cheerleaders must be enrolled in the cheer class for the entire year, including seniors. The GOHS cheerleading program is active the entire school year.

B. Daily attendance is mandatory. Failure to attend class may result in disciplinary action.

C. Cheer class starts at 6:55 am sharply. Anyone who is not ready and in the gym at the start of class will be considered late. All cheerleaders/mascots are responsible for arriving to class on time in order to avoid having to practice after school.

D. Cheerleaders are expected to be prompt to class and participate fully. Tardiness and lack of participation will result in a lowered grade and disciplinary action.

-If a cheerleader/mascot is going to be absent, she/he must call the coach, email the coach, or call the school before 7:00a.m on the day of the absence. If the coach does not receive word of your absence for whatever reason from you or the parent, you will receive a bench. If you call the school, make sure to request a message be left with the coach, not just the attendance office. Informing another cheerleader of your absence will not count. Coaches must hear from either you or the parent prior to 7 a.m. via email, text message, or phone call.

If you do not have one of the above, it will result in a bench. Notes must be provided to your coach upon the day of return in order to avoid consequences. Absences that are not cleared in a timely manner will result in a bench, even if an approved note can be provided. Make-up work or test, work, driver's license, all-star cheer events, etc. will not be excused. College Visits will only be excused with coach's approval. Notice will need to be given two or more weeks ahead of time.

-If a cheerleader/mascot is out with an injury or ineligible for games and events, she/he will still be responsible for dressing out and participating in class. This time will not be used to put on make-up, study for a test, text, or sleep.

-If you participate in other activities, school or non-school related, a calendar, meeting schedule, and/or practice schedule must be provided to the coach as soon as it is provided to you. Late notification of an absence without prior approval may result in a bench. Notification of absence should be given no less than two weeks prior to the absence. Approval is still be needed in order to avoid a consequences, and approval is not guaranteed.

-Opportunities for extra credit may be offered throughout the year.

E. The grades shall be based on, but not limited to:

- dressing out

C. Length and Fit

- The coach must approve the uniform fit before being ordered or worn.
- If at any time the uniform does not fit properly or is too short, the cheerleader/mascot is responsible for getting the uniform fixed. After the uniforms have been issued, the coaches have the right to switch a uniform from one girl to the next in order to make sure the uniform fits properly, especially if there has been a change in weight.

E. All Other Activities:

- Any cheerleader or mascot who is involved in any other activities **MUST** give all dates, calendars, schedules, events, conflicts, etc., to your coach as soon as you receive the information. - At any time that a cheerleader/mascot does not perform to expectations, she/he can be benched, demoted to another squad, or be referred to the Cheerleader Advisory Board for further action.
- Injuries will be handled as individual situations. All circumstances will be considered. A physician's note is required for any injury prohibiting a member from full participation. Any time a cheerleader/mascot is sitting out, due to injury or otherwise, she/he is still required to dress out and be with the team/coach for the entire practice/event, complying with all uniform rules and expectations. - Coaches may or may not accept "limited" participation from athletes. This is left to the coach's discretion. For example, coaches can limit a cheerleader from tumbling, but he/she will still be required to complete other necessary activities with the team.

- All cheerleaders/mascots must travel to and from 'away' scheduled competitive events, including football games and competitions, on school-authorized transportation.
- A cheerleader/mascot cannot participate until a completed travel card and/or travel form is on file (part of physical paperwork).

XII. Consequences

A. Infractions of the rules may result in extra conditioning, points deducted from cheer class grade, added responsibilities, benching, probation, suspension, or dismissal from the squad depending on the severity/frequency of the incident(s). The coach may elevate consequences depending on the situation and frequency of different actions. Cheerleaders/mascots may receive additional consequences through our organization for disciplinary infractions that result in school assigned consequences.

- Extra conditioning:* For non-severe, infrequent violations, extra conditioning may be assigned. Examples of conditioning are as follows: running, crunches, push-ups, sprints, lunges, squats, stamina jumps, standing tumbling, etc.
- Benching:* For severe, frequent violations, a bench may be assigned. When a cheerleader/mascot is "benched," she/he is expected to report—in full uniform—to the assigned event and sit with the coach. The cheerleader/mascot is to yell with the cheerleaders and follow all rules she/he would have to follow if cheering. If a cheerleader/mascot is benched for three complete events, the cheerleader/mascot, the parents/guardians, the coach, the cheerleader, and an administrator will meet to determine corrective action. If a fourth bench is received, the cheerleader/mascot may be removed from cheer. During the year, any cheerleader or mascot who misses a major event (i.e. game, pep-rally, fundraiser, appearance, etc.) will receive a bench and will be expected to make-up the next event on another team's schedule. Example- Varsity cheerleader misses Varsity football game. The following week, he or she will be expected to cheer at the Freshman football game, as well as his/her scheduled game. During the year, any cheerleader or mascot who misses a practice, doesn't follow constitution rules, receives an ASD, etc. will be benched at the next major event. Example- cheerleader receives a phone ASD. She will receive a bench and will sit out at the next major event (i.e. pep-rally, performance, game, etc.). Any benched cheerleader/mascot is expected to attend the event and to follow all rules as those who are performing. All make-ups and sit outs dates will be at the coach's discretion.
- Probation:* For more serious offenses, cheerleaders/mascots may be placed on probation. Probation is a period of time in which a cheerleader/mascot must not commit any infractions or automatic dismissal will result. The duration of a probation period will be determined by the coach and administration.
- Suspension:* The cheerleading coaches can place a cheerleader/mascot on suspension from the squad for up to three weeks (15 school days) at any time. Only the Cheerleader Advisory Board may suspend a cheerleader/mascot for longer than three weeks.
- Dismissal:* A cheerleader/mascot may be removed from the team if a fourth bench is obtained. All cheerleaders/mascots shall be eligible to try out for the next cheerleading season regardless of standing. A cheerleader/mascot will receive a 0 on the coach's evaluation (30% of the tryout score) if the cheerleader is removed.
- Quitting the program:* Before a cheerleader/mascot is allowed to quit the program, a meeting will be held with the cheerleader, the parents, the teachers, counselor, administration, and the coaches to discuss options. If a cheerleader/mascot quits after clothes have been ordered or camp registration has been paid, the cheerleader/mascot is still responsible for the costs. Once a cheerleader/mascot has quit, she/he cannot be placed back in the program for that season. If she/he decides to try-out for cheerleader/mascot for the next season, she/he will receive a score of a 0 on the coach's evaluation.
- Cheerleader Advisory Board:* The advisory board is comprised of one school administrator, a counselor, and a teacher.
- Coach's Evaluation:* A cheerleader/mascot may lose points on the coach's evaluations (30% of the tryout score) for the following, but not limited to: probation, suspension, school or cheerleading disciplinary infractions, failing grades or failed to maintain eligibility, poor attendance, did not meet financial obligations, etc.
- Appeals:* Appeals involving long-term disciplinary action need to be made to the Advisory Board. Only decisions involving suspension or dismissal from the squad may be appealed to the campus principal. The decision of the campus principal is final.

XIII. Amendments

- A. In the event that a situation arises that is not covered by the procedures set forth in this document, the coach and an administrator shall make the decision regarding that situation.
- B. Additions or deletions to the constitution may be made at any time with the approval of the campus principal. If any changes are made, the parents and cheerleaders/mascots shall be notified in writing.

XIV. Lettering/Awards (Varsity Only)

- A. In order to letter, a Cheerleader/Mascot must complete the entire school year, fulfilling all assigned responsibilities. A review of individual performance shall occur before the Spring Banquet to determine if a cheerleader is eligible for letters, jackets, awards, and recognition at the banquet. **A cheerleader/mascot must be in good standing-90% participation and no more than two benches.**
- B. Letter jackets are only purchased for members who have **completed** two years in the program. Sophomores can receive a letter, but may not receive the jacket until the end of junior year or beginning of senior year.
- C. A cheerleader/mascot who is on probation, suspended, removed, or quit will not receive a letter/jacket.
- D. Exceptions may be made by the coach to allow juniors to order jackets in anticipation of the fall of the senior year.

XV. Transfers from CISD Schools:

- Students currently attending CISD secondary campuses are permitted to tryout at only one campus.
- Students who have been approved for a transfer to a different district campus are eligible to tryout at the school he/she will be attending in the fall if known and approved prior to the tryout date.
- Students who make a cheerleading squad at one campus and then transfer to another campus are not placed on the new school's squad.

XVI. Discipline Guidelines (located on the following page)

- These procedures have been set in order to provide for the safety and opportunity of self-discipline for all Cheerleaders and Mascots.
- *When a Cheerleader/Mascot is **benched three (3) times**, there shall be a mandatory meeting with the administration, cheerleading coaches, cheerleader/mascot, and parents to determine corrective actions. The cheerleader/mascot shall be required to dress out fully and follow all rules and regulations upon being benched for any event. He/she is required to attend the event and sit with his/her squad and coach.
- *This list is intended to be a guideline. It may not include all possible actions and consequences. The coach and administrator reserve the right to set expectations and possible approved disciplinary consequences.
- *Conditioning will be decided by the coach.
- *Coaches keep track of all incidents, minor and major. For the 2016-2017 school year, each incident will require the date, description of the incident, and member's initials/signature. Major infractions will require parent's acknowledgment and signature.

*****ALL events are to be determined by the coaches –can include parades, pep rallies, games, special appearances, community service, fundraisers, and team-building activities. See Discipline sheet for more information.**
