2. Look for the link shown below.

3. You will need to Sign In (if you have an account they rolled over from last year) or Register

- a. If you do not have an account, create one and add your students/children. Multiple children from one family can be on one account even if they are on different campuses. Student IDs will be needed and their names must be entered exactly as they are displayed in the CISD system.
- b. If you already have an account, make sure your student's or students' name(s) show up in the table.
