If you answered yes, then this Grizzly Den is for YOU! Come in, get comfortable, relax, and let's come up with KIND things to do for others in our school and community. Let's make a difference!
W. Bailey	5	Response to Intervention (RTI) - English	Tier II tutorials for content
Barnes	6	Happy Hands Club	The thing with every language is that we literally speak it, but have you ever thought about learning a language in which all you use are your hands? Maybe you do when you're trying to communicate a message to your friend across the room but that's probably not a proper language, just a fun way to "speak" a secret language. There is a language used by 500,000 people in America and Canada through hand motions. This language has more than 50,000 signs, and is known as American Sign Language or ASL. Come explore this unique language and get a sample of what signing is all about.
Bauerle	7	Soft skills, what employers really want you to have.	Do you have trouble talking in front of large groups? Do you struggle to collaborate with others? Do you look great on a resume but tank the interview? If so this class is for you. In this course we will explore the topics of workplace professionalism, public speaking, collaborating with others to problem solve, and will practice interviewing skills.

B. Rodriguez/Rogers	75	Weightlifting and Exercise Physiology	This topic covers multiple lifting and exercise training techniques for a wide range of body types. Concepts such as periodization, hypertrophy, flexibility, and even nutrition will be covered. Whether it's strength gains, muscular endurance, or cardiovascular training, this Grizzly Den will be open to anyone who is interested in improving their overall physical fitness!

Course Teacher	Course Section	Grizzly Den Course Name	Course Description
Roman	78	Becoming a Yogi 101: Yoga for the Untalented	Calling all wanna-be yogis! Have you ever thought about starting yoga but have absolutely no idea where to start or the bodily capacity to do anything remotely flexible? Then you belong in this group! Join me as I watch beginner's yoga Youtube videos and attempt to master the infamous downward dog. Each Grizzly Den will focus on a 30 minute yoga session. You will need to bring a change of clothes and a yoga mat, if you have one. This class is only for beginners
Schenosky	79	Stranger Things Fan Club	Are you a fan of the hit Netflix show Stranger Things? Get together with like-minded people to learn more about the characters, the 1980s, and the small details that make the show so awesome. Along the way we'll play Stranger Things trivia, enter the world of the Upside Down by making slime, and decode the hidden message from Joyce's Christmas lights!
Sherman	80	Student Council	Do you have a lot of enthusiasm and spirit? Are you interested in community service? Do you want to protect the environment? Are you focused on living a healthy lifestyle? Well, these concepts and many more are what Student Council is all about! So, if you want to share your ideas about what you want Grand Oaks to be, then voice those thoughts and get them into action with us!!
Simpson	81	World Travel (2nd semester)	Research and plan world travel trips for students at GOHS
Simpson/Matthews	81	Choose to Matter Girls soccer book study (SEMESTER 1 ONLY)	Discussion of the team book- choose to matter by Julie Foudy
Smith	83	Varsity Mixed Choir (all year long)	Varsity Mixed Choir with Mr. Smith.
Spille/Appelt	84	Compassion Club	Join us as we promote and encourage kindness and love within our school, homes and community! The Compassion Club was established in September 2017 to honor the memory of Gage Schroeder, a kind-hearted and vibrant boy who passed away when he was 14 years old. Compassion Club is designed to unite students in spreading compassion within our school and throughout the community. Through weekly student-led discussions of values like friendship, kindness, empathy and forgiveness, participants gain a sense of belonging and connection with those around them. This unique club will create an inclusive school climate of acceptance for all students, with and without disabilities. Be here. Be you. Belong.
Stebbins	85	GRAND Yoga	Come stretch your mind, body, and spirit as you journey through yoga with your peers in GRAND Yoga! This is perfect for yogis of all levels- if you've never done yoga before or you love to go with your flow. Join us as we explore yoga poses, the power of mindful thinking, and connecting with yourself. No equipment or experience necessary- just be willing to try something new!

Steinke	86	Dystopian Novels & Free Reading (2nd semester)	Book study/group of dystopian novels in connection to our current society
N. Stewart	87	Early Childhood Education	The purpose of the Early Childhood Education Den is to provide opportunities for personal development and preparation for adult life, to strengthen the function of the family as a basic unit of society and to effectively advocate for children through cooperative action in the home and community.
S. Stewart	103	Strategic Thought Awareness	Love puzzles and games that require strategy? Join this Grizzly Den and let's think, analyze, and evaluate various strategy games.
Tanner	89	Bear Claw Squadron - Drone Racing (all year long)	The BCS is an established Drone building and flying club. We fly competitively against other high schools in the district. Looking for builders, programmers, and flying Aces!
Taylor/Strickland	90	Dodgeball!	Students will learn rules, history, and play dodgeball.
Torres-Hernandez	91	Arduinos (FEE: requires \$70 Arduinos Kit purchase)	Are you curious about how digital devices like an LCD screen get built or programmed? Are you interested in building interactive projects? If so this is the place for you! Arduinos will teach you how to build and program small electronic devices such as lights, buttons, buzzers, key card readers, remotes, and turn them into projects such as a whack-a-mole game or an alarm clock. All students interested in taking Arduinos for Grizzly Den will need to provide their own Elegoo Arduinos kit which is approximately \$70. https://www.elegoo.com/product/elegoo-uno-r3-project-complete-starter-kit/

Course Teacher	Course Section	Grizzly Den Course Name	Course Description
Turner	92	Throw Back to the early 2000's	Do you love Gel Pens? Do you create fun and cute headings on your notes? Do you like sharing memories with your friends? Do friends ask you to write them things in your hand writing? When you hear a song or an inspirational quote do you immediately think of a friend or family member? Do you like inside jokes? If you answered yes to any of those questions my Grizzly Den is for you! In the "Throw Back to the early 2000's" Grizzly Den you will create "signs" or "notes" using your creative genius. You will do what all high school students used to do before cellphones and social media existed. You will use gel pens and other unique writing tools to create memories to share with friends and family. You will get the chance to do what you see in all the teen movies!
Ulbricht	93	Let's Write and Film a Sitcom!	Do you like shows like The Office or Parks and Recreations? Ever thought it would be fun to make a comedy show? From the writers's room to the screen, wouldn't it be fun to write a sitcom that takes place at school? This facility will allow us to tell fun stories! Let's plan, write, film, act, and sound mix our very own school sitcom!
Walker	94	Book Growlers	Do you like to read? Let's create podcasts, book blogs, book trailers and connect with real authors and other readers from around the world!
Walters	95	Play Chess - Beginner or hone your skills to chess Master	Chess is a centuries old game that builds incredible brain skills, memory, and strategy. Whether you are a beginner and want to learn this exciting game or if you just want to practice and make yourself better and become the champion of GOHS, bring your chess set and join others to have fun, learn new strategy, and show your competitive chess skills. You only get better by playing other skilled players so join now and have fun while building your brain.
