

# How to Access Canvas Using a Mobile Device

Download the Canvas Student App from the App Store or Google Play.

Open the app and select **Find my school** > Type Conroe ISD in the field that says **Find your school or district** > Conroe ISD will pop up after you type the first few letters > Select **Conroe ISD**

Students select **Students and Employees**. Parents and Guardians select **Parents/Guardians**.

Students log in with your domain username and password. Your domain username is the combination of letters from your last name and first name given to you at registration. [e.g. Jonathan Doe = doejona] Your password is the letters stu + your student ID number. [e.g. stu123456]

Parents log in with your Parent Access Center account user email and password.
