

Installing Office 365

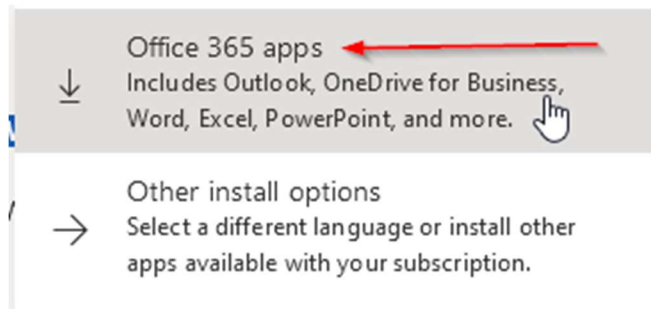

1. Go to the Conroe ISD SSO <https://sso.conroeisd.net> and log in.
2. Select the Office 365 tab and login to your Office365 account.
3. Open your Outlook inbox. Select the “waffle” or “9 squares” in the top left then Office 365 in the window that appears.

4. Select the install button.

5. Select this option.

6. Follow the onscreen instructions.

The image shows a help page titled "Just a few more steps..." with three numbered steps for installing Office 365. Step 1: "Click Run" with a sub-instruction "If asked, click Save File, then run the file." Step 2: "Say 'yes'" with a sub-instruction "Click Yes to start installing." Step 3: "Stay online" with a sub-instruction "After installation, start Office and sign in with the account you use for Office 365: bray@conroeisd.net." At the bottom left, there is a "Close" button and a "Need help installing?" link. At the bottom right, there are "Feedback" and "Need help?" buttons. A Windows file dialog box is overlaid on the bottom half of the page, showing the file path "...c27-4b32-a34d-a7e2fa286a6b_TX_PR_Platform_def_b_32_exe" which is a 5.3 MB binary file from "https://c2rsetup.officeapps.live.com". The dialog asks "Would you like to save this file?" and has "Save File" and "Cancel" buttons.

Just a few more steps...

- 1 Click Run**
If asked, click Save File, then run the file.
- 2 Say "yes"**
Click Yes to start installing.
- 3 Stay online**
After installation, start Office and sign in with the account you use for Office 365: bray@conroeisd.net.
